Abstract Accepted

Dear Punarbosu Panja & Team,

Greetings from YESIST12 2026!

Congratulations!! We are delighted to inform you that your abstract submission – **Holo-Companion: A Multi-Modal Autonomous Robotic Assistant with Holographic Emotive Interface and Edge-AI Reasoning** under the **Maker Fair - Maker Fair direct entry** has been selected for the final round of IEEE YESIST12 2026. Your unique team ID for the final round is **MF26D00219**. We sincerely appreciate the guidance of your mentor **Dr. Subhabrata Banerjee** in shaping this innovative project.

Your abstract stood out among 2,000+ submissions, showcasing exceptional creativity, innovation, and scholarly merit. We believe your contribution will enrich the discussions at this international event.

The Grand Finale will be conducted in hybrid mode on **October 2 and 3, 2026**. Teams may choose to present their final pitch either in person at the **BSI Convention Centre, Jakarta, Indonesia**, or virtually online. More details are available on the venue page: [Finale 2026 Venue](#).

On being shortlisted for the finale, all members of the team are required to register individually. Each participant must complete and submit their own registration separately to confirm your participation in the finale. Please note that certificates will be provided only to those who have registered and submitted the form.

Once again, congratulations on this well-deserved recognition. We are thrilled to have your team as a finalist for YESIST12 2026 and look forward to seeing your innovative project showcased at the Grand Finale.

This is a system-generated mail. For any clarification, please contact us at support@ieeeyesist12.org

Excited to see your participation in the Grand Finale!
